1870 2020

Pomp, circumstance, and other songs of a lifetime

By Professor David Citino, 1947–2005, Late University Poet Laureate
(Originally presented as the 2000 Winter Commencement address)

If you're like me, you've got a big head, not to mention a funny robe, full of music—poems and melodies, the tunes we move to, shower and shave by, study, write to. Not just the incidental,

but the momentous music keeping time. Our histories are measures of song. Listen to your heart: drums of Africa, sea-spume of blind, far-sighted Homer, Sappho's honeyed love lyrics. Often,

music speaks for us, one note saying a thousand words. Like Rodolpho in Puccini's La Boheme, Sono un poeta. I am a poet. Che cosa faccio? What do I do? Scrivo. I write. This ceremony

is loud music—pomp and circumstance of the life you began freshman year or that first day of graduate school. In my head I press Play, and the CD of Big Days kicks on. I leap and linger

over moments too sweet, nearly, for words. I'll never escape rhymes from the nursery. Up above the world so high, like a diamond in the sky. We knew from the start our universe was aglow with wonder.

Italian, Latin, English songs in nasal accents of Cleveland. Gaudeamus igitur, Juvenes dum sumus. So, let us rejoice, while we are young. Youth is that gift we can't comprehend while we're young. This ceremony

means you all are less young than you were. Don't let the heavy knowledge gained from your studies deprive you of the gifts of youth, to be able to rejoice at the drop of a hat, to care for, be moved by others.

Now I hear golden hits of five decades. Big Mama Thornton, and that so-called King (King of what, fried butter sandwiches?) who stole away her hound dog. You ain't never killed a rabbit, you ain't no friend

of mine. As with those profs and TAs, course after course, you had to produce—kill some rabbits—to earn respect. And at times OSU may have seemed like Heartbreak Hotel, down at the end to do your best. Tennessee Ernie Ford, "Sixteen Tons": St. Peter don't you call me 'Cause I can't go. I owe my soul to the company store.

You have been digging deep in mines of knowledge. We all owe our souls to Ohio State, company store of learning, shared experience—precious ore we have in common forever.

Now I hear Domenico Modugno's fervent urging to wish, sing, fly, Volare, Wo-oo. Cantare, Wo-o-o-o. My grandfather was a peasant farmer, a contadino in Calabria in the toe

of Italy. He knew it's the human lot to dream of flying. Lucky, lucky, lucky me, I'm a lucky son-of-a-gun. I work eight hours, I sleep eight hours, That leaves eight hours for fun.

Hey! He sailed in steerage across the Atlantic, came to Cleveland, where he stayed long enough to work 52 years for the B&O Railroad, before lying down to rest in good Ohio soil. So many of us

here today came from elsewhere, or ancestors did. From Tennessee, Italy, Africa, Asia, Appalachia—even, President Kirwan, the wilds of Kentucky and Maryland. Women and men with backs

supple as birch trunks. The courage it took to pick up stakes and begin again in a new world! Think of the work those older ones did. For you. You all are facing a change right now.

This sheepskin is your passport. You're bound for emigration to the next song of your life. Ohio State is the ark on which you've been sailing. You've been the precious cargo.

But, as Noah once said, I can see clearly now the rain is gone. The ark, our university, was filled to overflowing with the diversity of us. Diversity. Networks and talk shows devalue the word. I say, rather, the richness of us, precious difference, the grand multiplicity of selves that balance this globe and enable it to spin true. Grandson of peasant immigrants, I was given

the opportunity to earn a doctorate in English literature from Ohio State—because my family labored long nights around the kitchen table trying to learn this arduous English. I sat where

you're sitting twenty-six years ago. Bob Dylan and Smokey Robinson got me through. Yes, it took a prophet and Miracles! My son earned an OSU Ph.D. in history. Now you, graduates, are being honored—

by degrees. We've all come together around the kitchen table of Ohio State. Ohio, Round on the ends and high in the middle. For the years to come we'll sing together, Beautiful Ohio,

in dreams again I see, Visions of what used to be. These psalms, sacred thoughts of our tribes, 78's and 33's, tapes, CD's—they take up space in shelves of our skulls, our hearts. They remind us

we want a song beyond the run-of-the-mill thrill, the moment throbbing with pleasure or bathed in the blues. We ache for something grander than pure selfishness. Songs sung for one

alone are not true music. Arias shared are music of the spheres, ways of saying to another something from the soul. Of course the Buckeye Battle Cry is there. Drive, drive on down the field,

Men (and women!) of the Scarlet and Gray. Well, you drove on down the field, and you drove up and down the streets, around and around crowded lots, looking for a place to park,

and you searched our dark, ancient library for a decent place to study. My wife, Mary's, father marched in the first "Script Ohio," in 1936. He's here today with us, blowing his horn, I can't help

but feel, as is the sweet mother I lost last year, the one who gave me the stars.

Today's music makes us think of the debts we owe, and never can repay. So many of us would not be here were it not for the lullabyes and songs of dear parents, their parents, theirs. Some are here today in the flesh. Many are not. We mourn them with cadences of our hearts. Think how many people

sang before us, gave us a name, a voice, taught us the right words. We must cherish them by remembering every song. When we sing to others, we honor our fathers and mothers, thank them

for this day of profound scarlet and gray pomp and circumstance. O, come let's sing Ohio's praise, And songs to Alma Mater raise. Alma mater. Ohio State is our sweet, nurturing mother.

We came of age here, with her help. Well, Mother, we love you, but, like, it's time we moved out, got a place of our own. You're standing there, Mom, gray hair, eyes scarlet

from crying. We won't forget you. Now, even though this ceremony means we're being weaned, taken off the nipple, let's take care to cherish her all our days. Let's remember

the words to the songs she taught us, and pass them on. We'll remember always, Graduation Day. Summer's heat, and winter's cold, The seasons pass, the years will roll, Time and change

will surely show How firm thy friendship, O-hi-O. We call that little number Carmen Ohio. Carmen means song in Latin. You've worked hard; she is your reward; today is your reward.

You're filled to overflowing with the notes, the poems we've written together. You know the score. Continue to work hard for yourselves, and one another. Find the ones who need

you to sing to, for them, in the world. Graduates, this joyful litany, this hymn our ancestors collaborated on with us, the calling of your name today is music to our ears. Sing that name proudly

all your days, as if your life depended on it. It does, you know. It has been an honor for me to speak—and sing—to you today. Thank you, graduates, and, again, Congratulations.

COMMENCEMENT ADDRESS

Tim Cook

DOCTOR OF HUMANE LETTERS

As chief executive officer and a member of Apple's board of directors, Tim Cook has overseen the introduction of some of the world's most innovative products and services. He has championed inclusion and diversity at Apple, investing in coding programs and educational opportunities for students of all ages and backgrounds, and ensuring Apple's technology is accessible for all. Mr. Cook has carried forward Apple's commitment to privacy as a fundamental human right. Based on the belief that the best products in the world should be the best products for the world, Apple powers its global facilities with 100 percent renewable energy and is helping its entire supply chain do the same, while working toward the ambitious goal of a closed-loop supply chain that no longer extracts materials from the earth.

Since Mr. Cook became CEO, Apple initiated a program to match employee donations and deepened its work with nonprofit partners including Malala Fund and (RED). Most recently, as part of its COVID-19 response, Apple has sourced and delivered tens of millions of masks to medical workers around the world — including in Ohio — and has designed, manufactured and delivered millions of face shields to front-line medical professionals.

Mr. Cook has been named "Person of the Year" by *Financial Times* and one of *Fortune's* "World's 50 Greatest Leaders," and honored with the Newseum's Free Expression Award. Apple has ranked No. 1 on *Fortune's* "World's Most Admired Companies" list for the past 12 years, including each year he has been CEO.

STUDENT SPEAKER

Kathleen A. Greer

CLASS OF 2020

Kathleen "Kate" Greer exemplifies the intellectual curiosity and leadership inherent among the university's most accomplished students. Passionate about learning, travel and creating both art and new knowledge, she explored and expanded upon those interests at The Ohio State University through her studies in German language and European history, and her numerous extracurricular endeavors.

Prior to attending Ohio State, Ms. Greer demonstrated a strong desire to effect positive change. In high school, she testified before the Ohio House Education Committee in support of legislation to create a state Seal of Biliteracy to recognize graduating seniors who show proficiency in a second language. As a Buckeye, she continued this momentum by joining Undergraduate Student Government (USG) her freshman year. She was appointed chair of the Undergraduate Caucus in the University Senate as a sophomore and elected president of USG for the 2019-20 year.

As USG president, Ms. Greer represented more than 53,000 of her fellow undergraduate students in high-level academic, financial and policy discussions with university leaders. Her achievements during her USG tenure include helping to create the new General Education curriculum, working on a universal scholarship application portal, launching an affordable learning initiative and developing a new excused-absence policy.

In addition to USG, Ms. Greer participated in undergraduate research and several organizations at Ohio State, including BuckeyeThon, the International Affairs Scholars program and German Club. During summer 2018, she interned in Germany, where she assisted in the creation of museum exhibits, volunteered at a city refugee center, gave German lessons to resettled mothers and promoted the arts.

The Hudson, Ohio, native is the recipient of a Fulbright Student Fellowship and will serve as an English teaching assistant in Germany for the 2020-21 academic year. Ms. Greer hopes to one day return to Ohio State to teach, conduct research and give back to her beloved alma mater.

RECIPIENTS OF HONORS

Philip T.K. Daniel

Daniel has for decades served The Ohio State University as an unwavering advocate for student success and operational excellence.

Dr. Daniel earned his undergraduate degree from Cheyney University of Pennsylvania, his master's and doctoral degrees from the University of Illinois, Urbana, and his Juris Doctor from the Northern Illinois University College of Law, DeKalb. He pursued additional studies at the Catholic University of America Columbus School of Law in Washington, D.C.

Before joining the faculty at Ohio State, Dr. Daniel held academic appointments at several institutions and served as professor and associate dean of the Graduate School at his alma mater, Northern Illinois University. He has co-authored four books and written more than 200 book chapters, peer-reviewed and scholarly articles, and other works over the course of his career.

He remains active as a member of the Editorial Advisory Committee of *West's Education Law Reporter* and currently sits on the editorial boards of education and legal journals across the world.

Dr. Daniel is well known for his inspiring leadership and vision, qualities that proved invaluable to the Ohio State community. His extensive service to the University Senate included chairing several committees, and his guidance as an executive committee member for the Second-year Transformational Experience Program was paramount to the success of its first cohort of 1,000 students.

Dr. Daniel is the recipient of the Marion A. McGhehey Award from the Education Law Association, the organization's highest honor; the Distinguished Alumni Award from Northern Illinois University; and many honors from Ohio State. He also received the Certificate for Excellence in Mentoring from the Office of the Mayor, City of Columbus, Ohio.

E. Christopher Ellison

DISTINGUISHED SERVICE AWARD

The Robert M. Zollinger Professor of Surgery Emeritus, Dr. E. Christopher Ellison has served The Ohio State University for more than four decades. During this time, he excelled as a clinician, educator, researcher and senior leader — bringing acclaim to the university, elevating those around him and making a profound and lasting impact on Ohio State's medical enterprise.

Dr. Ellison earned his undergraduate degree at the University of Wisconsin-Madison and his medical degree at the Medical College of Wisconsin. He joined Ohio State in 1976 as a general surgery resident, during which he completed a fellowship in surgical gastroenterology research. He then served as chief administrative resident in the Department of Surgery. After many distinguished years on the university's medical faculty, he rose to become department chair, vice dean for clinical affairs, president and chief executive officer of Ohio State University Physicians, Inc. and interim dean of the College of Medicine.

As a faculty member, Dr. Ellison was a skilled teacher and prolific scholar, publishing more than 150 peer-reviewed journal articles, three books and 45 book chapters throughout his tenure. He also fostered the careers of countless young physicians, who benefited greatly from his wise and thoughtful mentorship. His teaching was repeatedly recognized, culminating in his being named the College of Medicine's "Professor of the Year" in 1999.

His leadership and vision were central to the founding of the university's unified faculty medical practice: Ohio State University Physicians, Inc. The professionalism and collegiality with which he managed its creation integrated disparate clinical departments and ensured its ongoing success.

Dr. Ellison is also an internationally recognized leader in surgery. He previously served as president of the American Surgical Association, chair of the American Board of Surgery, governor-at-large for the American College of Surgeons, president of the Society of Surgical Chairs and president of James IV Association of Surgeons.

Timothy A. Gerber

DISTINGUISHED SERVICE AWARD

Throughout his extensive service to The Ohio State University, Dr. Timothy A. Gerber has had an indelible impact upon his students, the institution and the broader community.

After earning his bachelor's degree in music from Oberlin College, and master's and doctoral degrees from Temple University, Gerber joined Ohio State's faculty in 1984. Here, he taught in both the undergraduate and graduate music education programs and researched issues related to music teacher education, musical development in adolescents and arts policy in secondary schools.

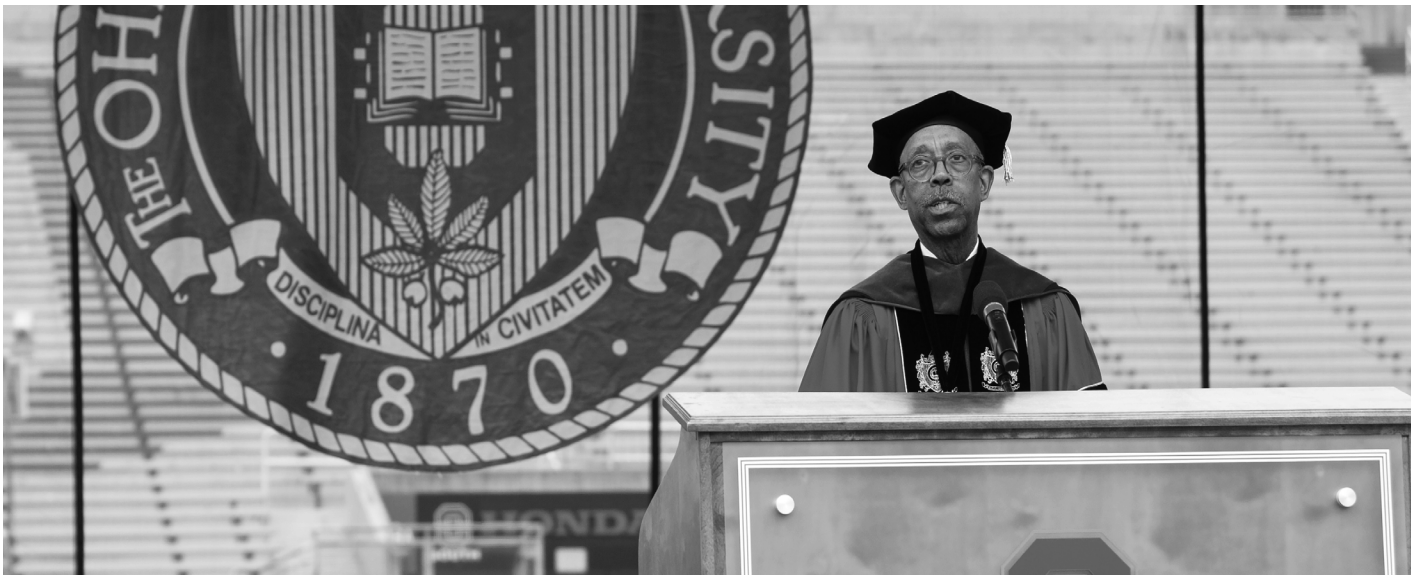
Renowned for the quality of his counsel and ability to skillfully navigate challenging issues, Dr. Gerber was frequently called upon during his tenure at Ohio State. As a member of the University Senate, he chaired three committees, led the influential Faculty Council and was twice appointed as Senate secretary by two university presidents.

He was also central in establishing the university's Office of Outreach and Engagement, the University Institute for Teaching and Learning, and the Second-year Transformational Experience Program — initiatives that significantly enhance Ohio State's ability to prepare future graduates and collaborate with the communities it serves. Additionally, his guidance was critical to the university's successful transition from quarters to semesters.

A longtime champion for the arts, Gerber authored one of the most widely used secondary-level music education textbooks in the country and frequently volunteered his time as a classroom music teacher in Columbus City Schools. He was also the principal author of educational materials for the Columbus Symphony Orchestra for 18 years.

Dr. Gerber is the recipient of The Ohio State University President and Provost's Award for Distinguished Faculty Service and the School of Music's Distinguished Teaching Award, in addition to the Distinguished Music Education Alumnus Award from Oberlin College. He was named a Distinguished Scholar in the School of Music in 2013. Having retired in 2017, he continues to serve the university community as faculty emeritus.

A MESSAGE FROM PRESIDENT DRAKE



Dear Graduates:

Congratulations! Few milestones are more significant than earning your diploma. You should be proud of all you have learned and achieved during your time at The Ohio State University. Although the coronavirus outbreak (COVID-19) has resulted in numerous changes to daily life —including our plans to celebrate the spring Class of 2020—we are united in spirit and fully committed to hosting a physical graduation ceremony when it is safe and practical.

Each of us experiences the effects of this pandemic in different ways, but all of us derive hope and inspiration from the individuals and organizations working to address the challenges currently before us. I am grateful to everyone who is serving on the front lines and taking precautions to reduce the spread of COVID-19. The sacrifices you make today will help keep our loved ones and communities safe tomorrow. Thank you.

Your contributions also honor Ohio State's founding land-grant mission. Since 1870, our university has existed as a force for good in the broader world. A century and a half later, our role has never been more relevant. Buckeyes advance science and medicine, enrich the arts, elevate young minds and even explore the stars. I take great pride in knowing that our students, faculty, staff and alumni will illuminate the pathway forward—just as they have for 150 years.

As you embark on this new and ever-changing chapter of history, you do so as part of a global family unmatched in its potential and connectivity. No matter the circumstances, generations of Ohio State alumni have risen above the obstacles of the moment and made a meaningful difference in our world. I know that you will do the same.

Congratulations. Now you are Buckeyes for life!

Sincerely,

Michael V. Drake

CONGRATULATIONS AND WELCOME TO THE ALUMNI ASSOCIATION

Congratulations, and welcome to the Buckeye alumni family, Class of 2020!

I know that each one of you has a unique Ohio State story to tell about your journey with us thus far, and your graduation will certainly stand apart from those who came before. Our unwavering commitment to you is also unique. The Ohio State University Alumni Association is dedicated to finding special ways to recognize your achievement in this extraordinary time.

I look forward to the day when we can celebrate this milestone together, and until we can all link arms and sing our alma mater's praise again, take heart and know that you are not alone. You have more than 570,000 fellow alumni around the globe ready to offer advice or lend a hand!

If you read the lyrics to "Carmen Ohio" — all three verses, not just the one we Buckeyes have memorized — you will see lines about both the good times and the bad. It references "happy days of yore" and "blackened sky or barren shoal." Now more than ever, it is easy to see the truth in these words. But, as the seasons pass, even amid all the world's uncertainties, I know one thing for sure: We are Buckeyes, and we will get through this together.

We will be with you wherever you go. You'll discover alumni clubs and societies in more than 100 cities, organizing everything from game watch parties to scholarship fundraisers. Take advantage of our alumni association's career resources, lifelong learning and networking opportunities, as well as ways to volunteer or pay forward in service to others.

Visit osu.edu/alumni to learn more about the benefits available to you. Explore our virtual opportunities for tips on how to cope during these unsettled times, or search for a new job. You can also download the alumni app to keep Ohio State in your pocket and hear news from campus, stories from alumni and much more.

This chapter in your Ohio State story is coming to an end, but the chapters to come offer endless opportunities and excitement. And never forget: You always have been, and always will be, a Buckeye for life.

THE ACADEMIC COSTUME

The colorful ceremonies of The Ohio State University commencements derive from practices originating in the Middle Ages. When European universities were taking form in the 12th and 13th centuries, the scholars were usually clerics, and consequently they adopted costumes similar to those of their monastic orders. Cold halls and drafty buildings called for caps and floor-length capes with attached hoods, and the sobering influence of the church probably resulted in the staid character of the caps and gowns.

As control of the universities gradually passed from the church, some aspects of the costumes took on brighter hues. Old prints and engravings, however, reveal a strong similarity between the regalia worn in early universities and that of the present day.

In light of our nation's English heritage, academic costume has been in use in the United States since colonial times. To establish a standard of uniformity in regard to the practice, an intercollegiate commission was formed to prepare a code for caps, gowns and hoods that has since been adopted by all academic institutions.

Originally round, the shape of the cap is now the familiar mortarboard square — a shape which, according to ballad folklore, resembles a scholar's book. Legend also has it that the privilege of wearing a cap was the initial right of a freed Roman slave; the academic cap, therefore, has become a sign of the freedom of scholarship. The flowing gown has become symbolic of the democracy of scholarship, for it covers any dress that might indicate rank or social status. The hood, reserved at The Ohio State University for those receiving doctoral and master's degrees, not only indicates the type of degree, but also is lined with the official colors of the university.

The Gown

Bachelor: The bachelor gown is black, full cut with long pointed sleeves.

Master: The master gown is black, long or short sleeves, with an arc-shaped panel extended for each sleeve.

Doctor: The Ohio State University Doctor of Philosophy gown is scarlet with gray velvet panels on the front and three velvet bars on each sleeve. Other doctor gowns are black with velvet panels and bars, the color of which is distinctive of the field of study.

Honors Emblem

The Ohio State University honors emblem is a scarlet and gray tasseled braid worn over the gown. Students eligible for this curricular honor are those graduating *summa cum laude*, *magna cum laude*, *cum laude*, *with distinction* and *with honors*.

The Hood

Bachelor: Three feet long with a two-inch-wide velvet edging.*

Master: Three and one-half feet long with a three-inch-wide velvet edging.

Doctor: Four feet in length with a five-inch-wide velvet edging and panel at the sides.

The lining of all hoods, which is folded out, bears the official colors of the institution granting the degree. The color of the velvet indicates the field of study.

*Not usually worn by candidates for a degree.
